

7. The College may use cloud computing service providers to store personal information (including sensitive information). The cloud service provider's servers may be located outside Australia. This may mean that personal information is stored or processed outside Australia.
8. The College may also from time to time use third party online service providers (including for the delivery of third party online applications, or Apps relating to email and instant messaging, such as Google's G Suite, including Gmail) which may be accessible by you. Some personal information may be collected and processed or stored by these providers in connection with these services. These online service providers may be located in or outside Australia.
9. The College makes reasonable efforts to be satisfied about the security of any personal information that may be collected, processed and stored outside Australia in connection with these third party services and will endeavour to ensure the cloud is located in countries with substantially similar protections as the APPs.

*[The College's Privacy Policy contains further information about its use of cloud and other third party service providers and their overseas locations].*

10. Where personal and sensitive information is held or processed by a cloud or online service provider on behalf of CECV to facilitate HR and staff administrative support, this information will be stores on services within Australia. This includes the Integrated Catholic OnLine System (ICON).
11. If you provide us with the personal information of others, we encourage you to inform them that you are disclosing that information to the College and why and to refer them to the College's Privacy Policy for further details.
12. If you are employed by Avila College, the personal information that we collect and hold about you will become part of your employee record and will be handled in accordance with the law and Clause 6 of this notice.
13. Employee information is generally exempt from the *Privacy Act 1988*. Other requirements
